G001767

Sprinkler Release IP67
Salwico MCP-SPR-C (GB)
Part no. 5200016-01A

System: Salwico Conventional Sprinkler Centrals

General Description

The MCP-SPR-C is a push button for outdoor environment and designed for the Salwico conventional sprinkler centrals.

The selected material PC/ABS and the encapsulation, with ingress protection IP67, makes it very suitable for harsh environment.

Pressing the glass causing it to crack activates the sprinkler release. A protective plastic coating on the glass prevents operator injury.

The push button can be tested with a special key included in the delivery.

Data

Nominal voltage	24 VDC
Working voltage	16–30 VDC
Supervising current	0 mA
Max breaking current	2 A
Ingress protection	IP67
Temperature range	-25°C to +70°C
Ambient humidity	0 to 95% RH
Material	PC/ABS
Colour	Blue
Weight	240 g
Cable dimension	Ø6–12 mm
Standard	EN54-11
Spare glasses (10pcs.)	Part no. 5200077-00A
